Mongol Thugs

Imaam Ibn Katheer [may Allaah have mercy upon him]: stated, "They (i.e. the Mongols) killed everyone they were able to kill, including men, women, boys, Shaikhs, the elderly and the young men. Many people entered the wells, the habitats of wild animals and the gutters, and they hid for days without appearing. A group of people would gather in the inns and shut the doors, but the Tartars either opened the doors by breaking them or setting them on fire; then they pursued the people who fled to the highest places and killed them on the rooftops until blood flowed in the alleys. Indeed to Allaah we belong and to Him we shall return! **Likewise, in the local mosques and the big central mosques, no one escaped from them** except the Jewish and Christian citizens of the Muslim land, and those who sought refuge with them". [Al-Bidaayah Wan-Nihaayah 13/192-193]

Khaarijite Thugs

Al-Allaamah Rabee Bin Haadee Al-Madkhalee [may Allaah preserve him] said, "The Khawaarij murder people whilst they are in prayer. **They find out the time of the prayer (i.e. congregational prayer) in order to murder the people in the mosques.** This has occurred in some countries, so they attack and murder them whilst they are in prayer". [Adh-Dharee'ah Ilaa Bayaan Maqaasid Kitaab Ash-Sharee'ah 1/135]

Chaotic Hamas - Proponents of Religious Innovations

As for Hamas, they continue upon their corrupt path and refuse to take the advice of Imaam Al-Albaanee [may Allaah have mercy upon him] when he stated, "**Imagine, if your situation continues like this, what will be the result? What will the Muslims be watching and witnessing!!? And the Palestinians, what will they be slaughtered for? What will be the result? A Jew is killed and in return tens of Palestinians are killed, thousands imprisoned, what will be the result? Will this be a victory against the Jews? This is not the way, in reality the Muslims have now mistaken the way of Jihad**". <https://www.abukhadeejah.com/shaikh-al-albaanee-was-asked-if-one-of-us-grabbed-a-jew-is-it-permissible-to-kill-him/>

Path of Our Salaf In Safeguarding The Blood of Others

Thaabit Ibn al-Hajjaaj [may Allaah have mercy upon him] reported that Abu Bakr As-Siddeeq [may Allaah be pleased with him] stood up among the people, praised and thanked Allaah, and then said, "No doubt, do not kill the monk in the monastery". [Muṣannaf Ibn Abee Shaybah 32425]

Umar Ibnul Khattaab [may Allaah be pleased with him] granted safety to the Christians:

He wrote: In The Name of Allaah, The Most Merciful, The Bestower of Mercy. This is that which has been granted – by the slave of Allaah, Umar, the leader of the believers (i.e. Muslims) – of safety (and security) to the people of Jerusalem for their lives, wealth, churches, crosses, their ill people, healthy people and religious community, and that indeed neither will their churches be inhabited (by Muslims) nor destroyed, neither cut down in number nor its space area, neither will its crosses be damaged nor anything else of their wealth; neither forced to abandon their religion nor will anyone be harmed.
